NURSERY STOCK DISCOUNT SCHEDULE

The volume discount applies only to nursery stock (i.e. trees, shrubs, perennials, grasses, roses, and evergreens). The volume discount will be based on 2020 purchases and apply for the entire 2021 season. It is effective January 1, 2021. New customers will build their discount throughout the 2021 season and it will be applied as it is earned. Discounts will not be retroactive.

This offer is valid only to clients whose accounts are current and in good standing. No discount will be allowed on a non-current account but will be reinstated when the account is brought current.

Use the following table to see your discount.

Amount of Total Purchases	Discount
\$10,000	2%
\$15,000	3%
\$20,000	4%
\$30,000	5%
\$40,000	6%
\$60,000	7%
\$80,000	8%
\$100,000	9%
